Thanks Vivian!

Appreciate your effort, and you did not disappointed us in the end :-)

I think I made the right decision to have you to list our house, it was a bit bumpy during the process (due to we are not being locally) but you made it happen with your professional skill, most importantly you won our trust by putting your effort and heart to the deal. Thanks again

As to the tenant vacant notification, do you have a template that I can borrow to write a note to them in the next a few days? should we send it as the register mail?

Your continue support to get to the finish line is very much appreciated in advance

Cheers

Kam & Jayne
