Hi, Vivian
I just want to say thank you for selling our house and finding the perfect buyers. I think you did an amazing job and I will recommend you to anyone and everyone in the area and in our future home in kitsilano.
The Thals have been wonderful to us letting us stay til August 31. They have always contacted us to come onto the property and have been gracious landlords.

Mr Thal said we couldn't but if we wanted to buy things....
So we are packing and reminiscing of the past 36 years. And I thought I should email you and thank you for all you effort and hard work to make this sale.
From the bottom of my heart I thank you..
And I will endeavour to have us out of here by the 31 of August.
